After all, I have already discussed on this blog what is perhaps her most popular bird poem, and I have been a fan of Emily Dickinson's poetry since I was first introduced to it way back in high school. And the book, called A Spicing of Birds, has the added bonus of being illustrated by paintings and photographs by 19th century bird artists!

More than twenty of the 220 poems that reference birds are poems dedicated solely to the birds' single symbolic selves. The most famous, of course, is "A Bird came down the Walk," written also in 1862. It's an unusual instance in that Dickinson herself enters this bird poem as a participant rather than simply an observer. She comes in late to offer

Emily Dickinson (1830 - 1885) Born December 10, 1830 in Amherst, Massachusetts, in a prominent family with strong community ties. Dickinson received an education at Amherst Academy and attended Mount Holyoke Female Seminary before returning to her family's house, and living in isolation most of her life, especially in her later years when she rarely left even her bedroom.
