THE 200 PLATFORM Last year Beta came out with a new 125 two-stroke that was more or less demanded by the European market. Over there the 125 two-stroke class never really went away, even in the off-road world. Oddly enough, Europeans never really warmed to the 200, while Americans didn't understand why anyone would want to ride a 125 off-road.

The Pirelli tyres for the BETA Alp 200 are a perfect marriage of technology and innovation, made with a special tread compound that can tackle any weather condition without hesitation. The tread pattern of the tyre is designed to ensure maximum grip, both straight and cornering, while reducing hydroplaning on wet roads, braking distances, and fuel consumption.
