## **CRJ 700 Aircraft Systems Study Guide - Aaron Boone ...**

Great information in the book. It lines up the order and information of the questions almost exactly as the Bombardier CRJ 200 systems manual orders its information. I like this book better than the manual though for quick recap and study. I don't think it would be an effective stand alone study aid though for people new to the aircraft.

## **Amazon.com: Customer reviews: CRJ 200 Aircraft Systems ...**

The CRJ Study Guide allows a CRJ Pilot to review a aircraft systems chapter in 15 minutes or less after organizing the questions. This book is a great way for a pilot to efficiently study for a checkride? A pilot can't go through the systems manual this fast!
