For the Win shows the reader how game elements can be used for marketing, productivity enhancement, innovation, employee motivation, and customer engagement. Its authors make the case that gamification is much more than hype — not only does it work, but it's not going anywhere because of its effectiveness at solving real, pervasive problems.

For the Win: How Game Thinking Can Revolutionize Your ...

For the Win really is a charming little strategy game. It has just the right mix of humor and game depth to make the game playing experience a very enjoyable one. It has all the "teeth" and "meat" the Gamer Geek will want, is accessible enough for Parent Geeks, and is light enough for the Child Geeks.
