In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Functional Sentence Perspective In Written

In linguistics, functional sentence perspective (FSP) is a theory describing the information structure of the sentence and language communication in general. It has been developed in the tradition of the Prague School of Functional and Structural Linguistics together with its sister theory, Topic-Focus Articulation.. The key concepts of FSP were laid down by Jan Firbas in the mid-1950s on the ...

Functional Sentence Perspective in Written and Spoken ...

Inspired by the ideas of the Prague School, the theory of functional sentence perspective (FSP) is concerned with the distribution of information as determined by all meaningful elements, from intonation (for speech) to context. A central feature of FSP is communicative dynamism. Jan Firbas discusses the distribution of the degrees of communicative dynamism over sentence elements, which ...
