Protective archival game cases are not only a safe way to protect your retro video games, but also a very appealing way to show off that retro collection you've been working on. Each case is designed using styles from the artwork of the original boxes. For those games that came in a horizontal style box (N64 & SNES), we offer both the original horizontal style and the vertical style designs.

For some games this menu point is only available if the game is active. Unfortunately many games don't offer a manual; Given the limited amount of game guides and manuals available, I think that the game industry itself is moving away from them. As many games now come with a in-game tutorial, manuals are often not needed anymore.
