Students might continue to articulate their thinking by creating a "checklist," like the one provided below, for a healthy democracy. Reflecting on this list can help bring the state of a democracy into better focus and it can help us identify where we have work to do. You might share this list of questions with your students.

How To Assess the Strength of a Democracy

In the US, Healthy Democracy uses a specialized, research-tested citizens jury, called the Citizens' Initiative Review (CIR), to provide voters with trustworthy information about ballot measures. Oregon enshrined the CIR in law in 2011 and publishes CIR statements in the state's voters' pamphlet. The Citizens Jury Process

Citizens Juries - Healthy Democracy

Citizens' Initiative Review processes bring randomly selected and representative panels of voters together to fairly and thoroughly evaluate ballot measures and give voters information they can trust. In a Citizens' Initiative Review (CIR) process, a group of 24 registered voters from around a state are invited to study an active ballot measure.
