Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Lean Office Demystified II Revised

Lean Office Demystified II demystifies how these principles work in the real world. The addition of the detailed case study of Global Winds makes this book in a class of its own. I know of no other book that has detailed a case study to this extent. We are already adapting the 5S office (desktop) principles to our work group files.
