Let's face it, Nora Roberts is a master at this stuff, and even though this is obviously an older novel, it doesn't disappoint. The characters are very well-developed and I fell in love with all of them! There are about 4 different romantic stories going on, but enough time is given to each story so that you feel invested in the characters.

***** FIVE STARS! Author Nora Roberts has created a romantic, yet chilling, tale involving family ties, love, and murder. Be warned that there are graphic scenes. The author mainly follows Jo, but all the other characters mentioned in my synopsis are as well. Even the stalker/killer is followed and readers watch him kidnap, rape, and kill women.
