## **Social Justice Through Multilingual Education**

Social Justice through Multilingual Education is a gold mine for educators concerned with issues of social justice more broadly conceived. It clearly and articulately offers the case for why (and, in fact, how) matters of language, bilingualism, multilingualism, and both language oppression and language empowerment must be addressed if our goal is truly social justice for children in schools.

## **Social Justice through Multilingual Education**

Presented at AERA 2010 as the Social Justice Award Lecture, this article calls attention to the purposes of education in the 21st century and the need for a robust, social justice vision of education.
