To the Student These solutions are a resource for students studying the second edition of our text Applied Linear Algebra, published by Springer in 2018. An expanded solutions manual is available for registered instructors of courses adopting it as the textbook. Using the Manual

## **Students' Solutions Manual**

While the student is exposed to a variety of relevant applications and tricks in the problems, the solution manual ensures the student's hard work spent trying out the problems does not go waste. The solution manual's availability is akin to the presence of a "Cheat" button in crossword applets - the earlier you press the less you try, but still the presence of the button is useful as such.
