In Trauma, Culture, and Metaphor, John Wilson and Jacob Lindy explore the language of both individual and collective trauma in an era dominated by globalization and interconnectedness. Through lucid, careful discussion, this important book builds a bridge between the etymology of trauma-related terms commonly used in Western cultures and those of other cultures, such as the Burundi-Rwandan ...

## **Trauma, Culture, and Metaphor Pathways of Transformation ...**

- Metaphor can be thought of as the currency of the emotional mind.
- It is now generally accepted that metaphor is fundamentally embodied and is not simply a figure of speech.
- We now know that metaphor is the expression of a yet to be determined neurophysiological process that has been secondarily coopted by language.
